Adina's Deck <http://adinasdeck.com/blog/episodes/episode-1-skye%E2%80%99s-cyber-bullying-mystery/>

“When Skye (Kelcie Stranahan), the most popular girl in the 8th grade, starts to receive threatening emails, text messages and voice-mails, she doesn't know what to do. Her best friend Melody (Stephanie Cameron) asks the tech-savvy Adina (Amelia Varni) for help. When Adina says yes, her friend Clara (Cierra Trussell) is confused. Skye is stuck up, and has never been nice to them in the past, so why is Adina helping her? After an adventure, the girls learn about more than just the bully's identity—they learn about friendship and growing up in the digital age of technology”.
